ONE-TIME SETUP Once-Off			
ITEM	QTY	RATE	AMOUNT
Cultivation Dashboard Module — Development & Integration Full seed-to-sale cultivation management platform. Includes zone management, batch lifecycle tracking (propagation through to harvest), environmental monitoring with threshold alerting, and yield analytics. Integrated into existing Origin POS backend.	1	R 15 000,00	R 15 000,00
SAHPRA Compliance Module — Section 22C Track & Trace Compliance scoring engine (5 categories), audit package generator with date-range filtering, document tracker with expiry alerts, environmental breach auto-logging, and full compliance event history. Ready for SAHPRA inspection.	1	R 5 000,00	R 5 000,00
Deployment, Data Migration & Staff Training Production deployment, demo seed data, zone configuration for your facility, role assignment (cultivator, farm manager, compliance officer), and hands-on staff training session.	1	R 5 000,00	R 5 000,00
AI Marketing Automation — Setup & Configuration Automated marketing suite powered by Claude AI. Includes: website marketing audit, SEO analysis, email sequence generation, 30-day social media content calendar, ad copy generation, competitor intelligence, landing page CRO, and client-ready PDF report generation. Configured for Origin by ILCO branding and cannabis industry compliance.	1	R 5 000,00	R 5 000,00
		Setup Subtotal:	R 30 000,00
		Tax (0%):	R 0,00
		One-Time Total:	R 30 000,00

MONTHLY SAAS SUBSCRIPTION

Recurring

ITEM	QTY	RATE	AMOUNT
Cultivation Module — Hosting, Updates & Maintenance Full cultivation dashboard hosting (unlimited zones, compliance suite, audit packages, reports, yield analytics). Includes database storage for environmental readings, batch history, and harvest records. All future feature updates included.	1	R 500,00	R 500,00
AI Marketing Automation — Monthly Operation Ongoing AI-powered marketing: automated website audits, monthly SEO reports, email sequence generation, 30-day social media content calendars, ad copy, competitor monitoring, and performance tracking. Powered by Claude AI marketing suite.	1	R 999,00	R 999,00
24/7 IT Support & Platform SaaS Priority technical support, server monitoring, security patches, database backups, and platform updates. Existing Origin platform fee.	1	R 999,00	R 999,00

Monthly Total:

R 2 498,00

Since ILCO is funding the full custom development (R 30 000 setup), the cultivation module monthly is only **R 500/mo** for hosting and maintenance — not the standard SaaS tier pricing. The AI marketing automation adds **R 999/mo** for ongoing content generation and campaign management. Combined with existing Origin SaaS: **R 2 498/mo total**.

One-time setup (Cultivation + Marketing + Training)	R 30 000,00
Monthly — Cultivation Hosting & Updates	R 500,00 /mo
Monthly — AI Marketing Automation	R 999,00 /mo
Monthly — Origin Platform (existing)	R 999,00 /mo
First Month Total	R 32 498,00
Thereafter monthly	R 2 498,00 /mo

TERMS & CONDITIONS

This quote is valid for 30 days from date of issue. Payment terms: 50% deposit on acceptance, 50% balance on go-live. The monthly subscription begins on the go-live date and is billed on the 1st of each month. Setup fee excludes travel and accommodation if on-site training is required outside Gauteng. All prices exclude VAT. The cultivation module integrates with the existing Origin platform — an active Origin subscription (R 999/mo) is required. AI marketing automation content is generated monthly and requires client approval before publishing. Marketing strategy sessions included quarterly. Cancellation of the monthly subscription requires 60-day written notice.
