- 5.3 There are 32 fire extinguishers in the Facility.
- 5.4 The wall above each fire extinguisher has a sign with an image of a fire extinguisher as well as an arrow.
- 5.5 These areas must always be kept clear for unhindered access to the fire extinguishers.
- 5.6 Trained personnel will operate the fire extinguishers.
- 5.7 The trained personnel will notify the AR immediately after performing their fire safety activities.
- 5.8 The AR will request the contracted fire extinguisher supply company to perform a service on the fire extinguishers that were used and to recertify them once refilled and returned to active service.
