SOP No:	5-SEC-005	Effective Date:	2020-05-20
Revision No:	2	Supersedes:	1
Revise By:	2022-05-20		

5.5.3 This will include:

- The origination of the items (the names and registry identification numbers of the releasing party).
- A description of the products being transported (the type of product, quantity, and tracking numbers).
- Name and registry identification number of the transport agent responsible for the transport.
- Date and time of departure and arrival.

5.5.4 All transport of outgoing products will be supported by a detailed transit manifest containing:

5.5.5 The name, address, and permit number of the cultivation facility.

5.5.6 Name of and contact information for a representative of the cultivation facility with direct knowledge of the transport.

5.5.7 The name, address, and permit number of the receiving distributor or Cannabis Compliance Bureau (Pty) Ltd Cultivation owned cultivation facility, and the name of the contact information for a representative of the medicinal cannabis organization.

5.5.8 Maps and designated routes.

5.5.9 Date along with arrival and departure times.

5.5.10 Transport Vehicle's make, model, and license plate number.

5.5.11 The name and identification number of the cultivation facility agent responsible for the transport.

5.5.12 Product information (type of product, quantity, inventory tracking numbers).

5.5.13 A copy of this manifest is kept at the cultivation facility and a copy is carried by the transport agent during the trip.

5.5.14 After delivery, the transport agent will record the end-time and actual route of the trip on the transit manifest.

5.5.15 A copy of the manifest should go to the recipient receiving the Medical Cannabis.

5.5.16 All transport records will be kept and maintained and provided to the Department for review on request.

5.5.17 All transportation record keeping will be digitalized and be an output of the seed to sale tracking system.
