PROCEDURE FOR SECURITY - STOCK AND PERSONNEL

SOP No:	5-SEC-006	Effective Date:	2020-05-18
Revision No:	2	Supersedes:	1
Revise By:	2022-05-18		

5.1.5 The inside door will then be closed and locked.

5.1.6 Dispatch clerk must ensure that stock for dispatch is in sealed cartons and that all documentation is correct.

5.1.7 Dispatch clerk to ensure that the number of cartons being shipped tallies with documentation.

5.1.8 Spot checks of shipping cartons will be performed with every shipment.

5.1.9 Inner door to the facility will remain locked until the transporters vehicle is inside the shipping bay and the external door has been locked.

5.1.10 Dispatch clerk to verify that the designated vehicle is for that specific shipment.

5.1.11 On verification, the inner door will be opened, and the cartons loaded into the vehicle.

5.1.12 The dispatch clerk will keep a tally to ensure all cartons are loaded.

5.1.13 Once vehicle is loaded, a tamper- evident seal will be applied to the locked doors of the vehicle in the presence of the driver.

5.1.14 Driver to sign confirmation that the seal has been applied and make note of seal number.

5.1.15 The inner door will then be locked to the facility.

5.1.16 Outer door to be opened and vehicle will leave the bay.

5.1.17 The outer door will then be closed and locked.

5.2 Staff entry and exit to the facility

5.2.1 The staff enter the premises through the pedestrian gate by security.

5.2.2 Staff entering and exiting the facility will be under strict supervision of the AR or designated Management, this will include lunch and teatime breaks.

5.2.3 No personnel may bring and handbags, backpacks and or containers into the facility.

5.2.4 Sporadic and random body searches will be conducted by the AR.

5.2.5 The AR or delegated Management may bypass the security locks to the facility.

5.2.6 Staff members will not take medication for personal use into the facility.

5.2.7 All items and possessions will be placed in staff lockers before entering the facility.

5.2.8 Opening in the morning, the staff will enter the facility through the dedicated staff entry area.

5.2.9 Staff entering will be supervised by the AR or facility Manager on duty.

5.2.10 Staff exiting the facility for lunch breaks, tea breaks or toilet breaks or when shift is over will be supervised by the AR or Facility Manager.

5.2.11 Routine body searches will be conducted exiting the facility.

5.2.12 No staff should be in possession of any product for any reason.
